

project

***„Corruption in audit reports“***

***center for humane politics***

**sarajevo, 12-14.06.2019.**

---

### **Insufficient treatment of prosecutor's offices in BiH according to audit reports with corrupt findings**

- each other audit report has findings with corruptive characteristics
- there are no criminal and other responsibilities of the audited entities
- the annual damage is several hundred million euros

# PROJECT OBJECTIVES

## BASIC

Try to influence the prosecutors and other competent institutions in order to improve the treatment of prosecutors by audit reports

## SPECIFIC

Initiate the solution of the project problem with possible solutions for more efficient treatment of prosecutors' offices by audit reports

Investigate the existence of findings with corruptive features in audit reports and prosecutors' treatment of audit reports

Inform the public and the relevant institutions about the existence of a project problem and institutional readiness for its resolution

# THE TARGET GROUP

BASIC	<b>entity prosecutors</b>
	Cantonal and District Prosecutor's Offices, BH Prosecutor's Office
SECONDARY	Agency for the Prevention of Corruption of BH
	parliamentary committees (commissions) for auditing

# PROJECT ACTIVITIES

## RESEARCH

- prosecutorial offices in BiH according to audit report
- prosecutorial offices in BiH according to audit report

## COMMON REVIEW

- the results of the investigation on the prosecution's treatment of audit reports and the existence of corruptive findings in the audit reports
- needs and willingness to solve the project problem

## INCURING AND SUPPORT

- submit an initiative to solve the project problem
- shorter advocacy for resolving the project problem
- informing about the existence of problems and advancements in resolving

# RESULTS AND IMPACT

RESULTS	IMPACT
New, impartial and usable research results	little
Informed institutions and the public about the results of the research and the need to solve the project problem	little
Discussed results of the research and the need to solve the project problem with the representatives of the competent institutions	little
Consent to the existence of problems and the need for its resolution (if achieved)	central
Initiative for mandatory treatment of prosecutors' offices by audit reports	little
Accepted initiative (if accepted)	a large

# OUR EXPERIENCE

PROJECT	8 projects in the field of public sector audit, elections, public administration reform and health care were realized
	Analyzed audit reports and institutional procedures
	Better parliamentary treatment of audit reports is advocated
	Report filed to the prosecution due to organized theft of electricity
NO PROJECT	Monitoring, collecting data, analyzing and reporting crime
	Investigation of institutional efficiency in the fight against crime
	Initiating changes in the judicial system
